Jeff,

You can put my name on the letters. Electronic copies are fine.

Thanks!

Craig-

We are in the process of sending out hard copies of the analytical data to the residents with potable wells that were sampled at the Kankakee Route 113 Release site.

On the cover letter, we have Andy Maguire copied as the representative for the USEPA.

Should we change the USEPA cc name to yours? Also, would the USEPA prefer hard copies or an electronic copy of the letters?

Thanks,

Jeff W. Brudereck
